COURSES & CERTIFICATIONS:

- **MERN Stack Development:** Certified 4 months MERN stack Development Course from TechNexus Virtual University

PERSONAL & ACADEMIC PROJECTS:

Skilltern – MERN Stack(Reactjs,Nodejs,expressjs,mongodb) Based Learning & Job Application Platform:

A scalable platform that bridges skill development with job opportunities.

- Role-based system for **Admin**, **Instructor**, and **Users** with dedicated dashboards.
- **Admins** can post/manage jobs, users, and applications via a secure panel.
- **Instructors** can upload/manage video-based courses with real-time playback.
- **Users** can enroll in courses, buy courses (**Integrated payment gateway using stripe**), apply for jobs (if authenticated), customize profiles, and manage wishlists.
- Integrated **OTP-based Passport.js authentication** ensures data security across all roles.
- Built a responsive **Admin Panel** for full platform control.
- Conducted both **manual testing** and **automated Selenium test cases** for robust QA.
